Dear VICK cousin,

I am pleased to announce the publication of the long-awaited book; *Joseph Vick of Lower Parish, Isle of Wight, Virginia and His Descendants, Volume I*. Joseph Vick was born 1640-1650, most likely in Gloucestershire, England and died in Isle of Wight County, Virginia before 1704. The book documents the first five generations of his descendants.

The book includes anecdotal information about the historical periods as well as extensive references and footnotes. A center section includes illustrations and photographs of Vick descendants, lands and homes. The book is printed on acid-free paper and is bound in leather with beautiful end papers. This is an heirloom quality book that you will be proud to own, give as gifts, and pass down to your own descendants. The price of this family treasure is only \$49.95 per copy, including shipping and handling.

All profits from the sale of this book go to the Joseph Vick Family of America (JVFOA), a non-profit association dedicated to the genealogy of Joseph Vick. The organization maintains a database of Joseph Vick descendants, sponsors family reunions, and publishes a quarterly newsletter. For more information about the association, please visit our website at <http://store.genuspublishing.com>.
